## About San Dimas Community Hospital

San Dimas Community Hospital (SDCH), established in 1971, is an award winning, 101 bed facility located in the heart of San Dimas. With a multidisciplinary team of experts and state of the art technology, we are committed to serving the community with personalized, high quality care. We offer a full range of comprehensive services, including 24-hour emergency services, a family birth center, orthopedic surgery, advanced diagnostic services, cardiopulmonary and gastrointestinal services.

### Our Mission

To deliver compassionate, quality care to patients and better healthcare to communities.

### Our Values

#### - Quality

We are committed to always providing exceptional care and performance.

#### - Compassion

We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

#### - Community

We are honored to be trusted partners who serve, give back and grow with our communities.

#### - Physician-Led

We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.
